873 | GENESIS

EN/ The ambition to create a universal and transversal project, capable of interpreting any situation, satisfying everyone's needs, with a personality that is different and unique each time. Genesis is the expression of this will and takes shape from experience, from the ability to have a global vision to the attention dedicated to every single detail. An idea of well-being, harmony and freedom that transforms modern living scenarios.

FR/ L'ambition de créer un projet universel et transversal, capable d'interpréter n'importe quelle situation, de satisfaire les besoins de chacun, avec une personnalité à chaque fois différente et unique. Genesis est l'expression de cette volonté et prend forme à partir de l'expérience, de la capacité à avoir une vision globale, de l'attention portée à chaque détail. Une idée de bien-être, d'harmonie et de liberté qui transforme les scénarios de vie modernes.

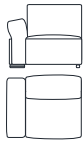

EN/ The elements of the Genesis system make up an extremely large and versatile modular system, capable of giving shape to the most diverse solutions and compositions: from the single armchair to the large linear or corner sofa, in compact environments or in wide and prestigious living spaces. The possibility of adjusting the backrests and the position of the body contributes to the comfort and personalization of the whole.

FR/ Les éléments du système Genesis constituent un système modulaire extrêmement vaste et polyvalent, capable de donner forme aux solutions et compositions les plus diverses: du fauteuil simple au grand canapé linéaire ou d'angle, dans des environnements compacts ou dans des espaces de vie vastes et prestigieux. La possibilité de régler les dossiers et la position du corps contribue au confort et à la personnalisation de l'ensemble.
